(3) The Manager shall have regard –

(a) to the need for diversification of investments, insofar as is appropriate to the circumstances of the Fund; and

(b) to the suitability to the Fund of investments of the description of investment proposed and of the investment proposed as an investment of that description.

(4) The Manager shall make, and from time to time as necessary revise, a written statement of the investment policy of the Fund and shall promptly supply a copy thereof to the Trustee. The statement of investment policy shall include, among other things, the Manager's policy for the Fund in the following matters:

(6) The Manager shall not exercise any power to invest the Fund other than that provided by this Scheme and in conformity with the statement of investment policy made in accordance with sub-clause (4).

37. Cash. To the extent that it is not otherwise permitted under the provisions of this Scheme, the property of the Fund may include cash and near cash where this may reasonably be regarded as necessary in order to facilitate the cancellation of units, or to further the efficient management of the Fund, or otherwise to enable the Manager to discharge its functions under this Scheme.

38. Borrowing. (1) The Manager may borrow temporarily for the purpose of meeting payments to be made out of the Fund.

(2) The Manager may use the powers of land acquisition and management in the Trusts of Land and Appointment of Trustees Act 1996, but where those powers are used to borrow in connection with the acquisition or management (including improvement) of any land and if any such borrowing would cause the total outstanding borrowings under the authority of those powers to exceed 25% of the Net Asset Value as at the date of the borrowing, the prior written consent of the Trustee shall be obtained.

39. Investment in in-house funds (1) The Manager shall ensure that where the Fund invests into another collective investment scheme that is managed or operated by the Manager, the Trustee, or an associate of either (a “Second Scheme”), any fee the Fund pays indirectly to such party within, or in respect of, such collective investment scheme, is returned to the Fund (or alternatively, that the Fund does not pay that party a fee in respect of such holding of the Second Scheme).

(2) The Manager shall not invest the property of the Fund in any other investment in which the Manager or an associate of the Manager has any interest (whether by virtue of operating or managing the investment or otherwise) without the prior written consent of the Trustee.

(a) the second scheme:

- (i) complies with the conditions necessary for it to enjoy the rights conferred by the UCITS Directive; or
- (ii) is a non-UCITS retail scheme; or

- (v) is a common investment fund;

(b) the second scheme operates on the principle of the prudent spread of risk;

(c) the second scheme is prohibited from having more than 15% in net asset value of the property of that scheme consisting of units in collective investment schemes; and

(d) the participants in the second scheme shall be entitled to have their units redeemed in accordance with that scheme at a price:

- (i) related to the net asset value of the property to which the units relate; and

- (ii) determined in accordance with that scheme.

(2) The Manager may invest not more than a total of 20% of the Net Asset Value as at the date of the investment:

41. Scheme Particulars. (1) The Manager shall make written Scheme Particulars for the purpose of:

- (a) supplementing the provisions of clauses 5, 20, 21, 22, 26, 27, 28, 29, 31 and 32(1) and 32(2) of this Scheme as indicated in those clauses which shall as far as reasonably possible include details of all identifiable costs and expenses;

(b) supplementing the other provisions of this Scheme if, in its opinion, that may be necessary to enable the Fund to operate effectively;

(c) modifying or relaxing any duty to account to the Fund which may result from a conflict of interest and duty on the part of the Trustee, the Manager or other person;

(d) providing for the holding and constitution of meetings of Participating Charities for such purposes as the Trustee may consider appropriate;

(e) supplementing the information given by or under the provisions of this Scheme about the constitution, objectives and operation of the Fund which shall include (where applicable) the asset allocation policy, the sector allocation policy, the geographical allocation policy, and any restrictions or limitations on investment that are additional to those imposed by this Scheme.

(2) Scheme Particulars made for the purpose of supplementing the provisions of clause 21 or 22 or for modifying or relaxing any duty to account to the Fund which may result from a conflict of interest and duty on the part of the Trustee, the Manager or other person shall be subject to the prior written approval of the Commission.

(3) No provision in the Scheme Particulars shall be inconsistent with this Scheme.

(4) The Scheme Particulars shall be revised from time to time by the Manager, subject to the prior written approval of the Commission in the case of Scheme Particulars revised for the purposes specified in sub-clause (2) and copies of the Scheme Particulars, or any amendments, shall be supplied free of charge to the Commission, the Trustee and the Participating Charities.

(d) the time to which any incoming resource, liability or expense is to be attributed.

(2) Where any institution to which any number of units in the Fund is for the time being allocated ceases to be a Charity qualified in accordance with clause 6 to participate in this Fund, the provisions of this Scheme shall have effect as if such institution –

(a) continued to be a Charity so qualified;

(b) elected to realise all those units with effect from the next following valuation date; and

(c) indemnified the Fund against any liability arising upon such institution ceasing to be a Charity so qualified.

43. Accounts and report. (1) For the purposes of Part 8 of the Charities Act (other than section 130) and of the Regulations (other than the provisions relating to audit), the Manager (and no other person) shall be considered the charity trustee of the Fund within the meaning of the Charities Act.

(2) The Manager shall prepare and submit to the Commission in respect of each financial year of the Fund a statement of accounts and annual report complying with the requirements of the Charities Act and the Regulations. The Manager shall also prepare a half-yearly report and accounts for the Fund made up to the date of the interim balance sheet, a copy of which shall be supplied to the Commission.

(3) The Manager shall cause the accounts in respect of each financial year to be audited by an auditor appointed by the Manager in accordance with the AIFMD Rules.

44. Winding up. If the Trustee is of the opinion that it is expedient in the interests of the Participating Charities to wind up the Fund, the Trustee may execute a written declaration that the Fund is to be wound up, and if it does so, it shall –

(a) forthwith send a copy of the declaration to the Commission and to the Manager and publish it in such manner (if any) as the Commission may direct;

(b) inform the Participating Charities in writing that the Fund is to be wound up; and

45. Commencement of Scheme. This Scheme shall come into force on 1 December 2022.

46. Questions under Scheme. Any questions as to the construction of this Scheme, or as to the regularity or the validity of anything done or proposed to be done under this Scheme, may be determined by the Commission upon sufficient application to it by the Trustee or the Manager.

ANNEX 1

Allocation of rights to participate in the property of the Fund

1. If there is more than one class of units in issue for the Fund, the proportionate interests of each class of units in the assets and liabilities of the Fund will be ascertained as follows:
 - 1.1 A notional account will be maintained for each class of units. Each account will be referred to as a "Proportion Account".
 - 1.2 The word "proportion" in the following paragraphs means the proportion which the balance on a Proportion Account at the relevant time bears to the balance on all the Proportion Accounts of the Fund at that time.
 - 1.3 There will be credited to a Proportion Account:
 - 1.3.1 the subscription money (excluding any initial charges or dilution levy or dilution adjustment) for the issue of units of the relevant class;
 - 1.3.2 that class' proportion of the amount by which the Net Asset Value of the Fund exceeds the total subscription money for all units in the Fund;
 - 1.3.3 that class' proportion of the Fund's income received and receivable; and
 - 1.3.4 any notional tax benefit under paragraph 1.5 below.
 - 1.4 There will be debited to a Proportion Account:
 - 1.4.1 the redemption payment for the cancellation of units of the relevant class of units (including any dilution levy or dilution adjustment);
 - 1.4.2 that class' proportion of any amount by which the Net Asset Value of the Fund falls short of the total subscription money for all units in the Fund;
 - 1.4.3 all distributions of income (including equalisation if any) made to units Participating Charities of that class of units;
 - 1.4.4 all costs, charges and expenses incurred solely in respect of that class of units;
 - 1.4.5 that class' proportion of the costs, charges and expenses incurred in respect of that class of units and one or more other classes of units, but not in respect of the Fund as a whole;
 - 1.4.6 that class' proportion of the costs, charges and expenses incurred in respect of or attributable to the Fund as a whole; and
 - 1.4.7 any notional tax liability under paragraph 1.5 below.
- 1.5 Any tax liability in respect of the Fund and any tax benefit received or receivable in respect of the Fund will be allocated between unit classes in order to achieve, so far as possible, the same result as would have been achieved if each class of units were itself the Fund so

as not materially to prejudice any class of units. The allocation will be carried out by the Manager after consultation with the auditors.

- 1.6 Where a class of units is denominated in a currency which is not the base currency, the balance on the Proportion Account will be converted into the base currency in order to ascertain the proportions of all unit classes. Conversions between currencies will be at a rate of exchange decided by the Manager as being a rate that is not likely to result in any material prejudice to the interests of Participating Charites or potential Participating Charites.
- 1.7 The Proportion Accounts are notional accounts maintained for the purpose of calculating proportions. They do not represent debts from the Fund to Participating Charites or the other way round.
2. Each credit and debit to a Proportion Account will be allocated to that account on the basis of that class' proportion immediately before the allocation. All adjustments as are necessary will be made to ensure that on no occasion on which the proportions are ascertained is any amount counted more than once.
3. Once units are issued, each unit will be proportionate to the share capital which it represents in the Fund and the respective proportion of income allocated to a particular class will be allocated proportionally to the share capital which it represents in the Fund.
